# What is MCCF?

MCCF is a statewide network of organizations whose common goal is improving the quality of life for Michigan children and their families.

For over 15 years MCCF has advocated for prevention. MCCF believes that:

- 1) Children represent the future.
- 2) Concern for children's welfare is non-partisan.
- 3) Children's well-being is the highest priority of a responsible government.
- 4) A healthy family is the best environment for nurturing children.
- 5) Prevention particularly in the

## The Children's Agenda

The Children's Agenda is the annual budget and policy document produced by MCCF.

MCCF draws upon the expertise of its members to develop The Children's Agenda.

### The Agenda

- recognizes the value of prevention
- identifies broad issue areas for advocacy in the budget and policy process
- provides background information and action steps that elected officials, community leaders and concerned citizens can act upon

It has been an indispensable tool for state and local policy makers to determine spending, service, and pol-
